- All lost balls are to be played as a lateral hazard - that is, don't hit a provisional just go to the area the ball is lost, look for it briefly and if not found, drop a ball close to where the ball entered the hazard and play from there, incurring a 1 stroke penalty.
- Balls in a hazard - If you hit a ball into a hazard like a pond, drop a ball close to the point of entry to the hazard - not where it landed – incur a 1 stroke penalty.
- Pace of play is important, please set a good pace and keep up to the group in front. Sanctions may apply to offenders
